Create a team with up to 3 friends in Tom Clancy's Ghost Recon Wildlands and enjoy the ultimate military shooter experience set in a massive, dangerous, and responsive open world.

### TAKE DOWN THE CARTEL

In a near future, Bolivia has fallen into the hands of Santa Blanca, a merciless drug cartel who spread injustice and violence. Their objective: to create the biggest Narco-State in history.

### BECOME A GHOST

Create and fully customize your Ghost, weapons, and gear. Enjoy a total freedom of playstyle. Lead your team and take down the cartel, either solo or with up to three friends.

### EXPLORE BOLIVIA

Journey through Ubisoft's largest action-adventure open world. Discover the stunning diverse landscapes of the Wildlands both on and off road, in the air, on land, and at sea with over 60 different vehicles.

Taking out the Santa Blanca Cartel becomes an even richer experience with Tobii Eye Tracking. Features like Extended View, Aim at Gaze and Communications Wheel let you use your natural eye movement to interact and be part of game play - without interrupting or modifying your traditional controls. Now armed with an extensive eye tracking feature set, team communication becomes more seamless, firefights become more intense and exploring your new surroundings becomes more of an immersive adventure.

### Instructions:

- Burn or mount the image
- Install the game
- Copy the crack
- Enjoy

## NOTES

"Always Outnumbered, Never Outgunned"

- First of all, congrats to our competition for their work, nicely done. In this, though, you made some poor choices. You didn't manage to crack EAC and in result you have to load in memory your keygen everytime (which we're pretty sure is forbidden by scene rules) and DLCs are not working properly. You're lucky, CPY to the rescue! Keep it up guys

- Game is updated to the latest version and includes all languages and DLCs

## GROUP

Established in 1999, we are possibly the oldest Italian-based release group still in activity. We express a big THANK YOU to all those friends who helped us in various forms throughout these years! Don't forget to support the companies and to keep the Scene about FUN. :-)

Fondato nel 1999, CPY e' probabilmente il piu' vecchio gruppo release in Italia ancora in attivita'. Ringraziamo DI CUORE tutti gli amici che ci hanno aiutati in ogni maniera in questi anni! Ricordate di supportare le compagnie cinematografiche e di software, e che la Scena dev'essere basata sul DIVERTIMENTO. :-)

## CPY

Greets to CODEX, ENCRyPTED - iAT & all our friends.
